PROFESSIONAL EXPERIENCE

Innova Tech One | Remote | January 2025 – Present

I collaborate with a startup in the development of innovative digital solutions. I am responsible for designing, developing, and implementing complete web systems, from user interface creation to backend integration. My focus is on delivering functional and efficient solutions that ensure a smooth, intuitive, and high-performance user experience.

Roberto Chabo State Hospital | Rio de Janeiro, Brazil | June 2024 – Present

I work as an administrative assistant in the Patient Safety Unit, contributing to the continuous improvement of internal processes and supporting the maintenance of safety and quality standards within the hospital environment.
